PLAYTIME

Welcome to Golden Learners School

The school will offer a program that provides individualized attention and maintains high academic standards. Montessori teaching tools and methods will be used to ensure maximum developmental opportunities for nursery children. We provide an environment that helps the child to develop emotionally, socially, and physically as a whole. The school provides a well supervised secure playground area.

Learning Centers

Your child's classroom will be an enriching environment, separated into distinct interest areas where learning in the form of exploration and discovery can take place on a daily basis
